#### Subject to be Discussed and Policy Reference:

The Board of Education, by resolution, must establish the day or days of the month it will meet for the 2023-2024 school year, per Board of Education Policy #2506.

#### **Background Information:**

Board of Education meetings have typically been held on the third Monday of the month (*with the exception of December and June*).

#### **Discussion Points to Consider**:

Financial Impact: None

#### **Recommended Action:**

Approval to set the regular meetings of the Board of Education for the third Monday of each month beginning at 7:00 p.m., (*with the exception of June*) meetings to be held on a rotating basis, per a set schedule, in the Board of Education meeting room and at District building sites unless otherwise changed by the Board for the 2023-2024 school year.
