| ❖ Friday, June 7    | ½ Day of School - Exams - Last day of school - schedule below |
- 

Parents and Guardians,

The end of the school year is upon us. If your student signed up for summer school, we were able to accept all students. Summer school students need to keep their chromebooks as they will turn them in once they finish the program. Please watch your email for transportation information if you signed up for that.

All other students (unless they are taking classes this summer or a teacher requested they be kept) will be turning in their chromebooks and accessories on Friday, June 7th. All virtual students need to come into the school on Friday, June 7th before 3:00 p.m. to return their chromebooks and accessories. Any items that are damaged or not returned must be paid for or turned in during registration in August.

Please remind your student to take all items in their school and gym lockers home. All items that are left behind will be donated or disposed of.

Have a great summer!

Lauren Chesney  
Principal

### Student Activities

- ❖ As the school year approaches the end, students are reminded to make sure that their locker is cleaned out before the last day of school. Any items left behind are cleaned out by custodial staff and donated to local charities.
- ❖ All medications must be picked up no later than Wednesday, June 12, 2024. Any medications left after this date will be disposed of properly.

### School Counseling Office

- ❖ AP students who took an AP exam have until **June 20** to send one free score report to the college, university, or scholarship organization of their choice. Linked are [the instructions](#) on how to use the free score send option.

- ❖ AP test scores will be available to all students on the student AP scores website starting on **Monday, July 8.**

## **Seniors - Class of 2024**

- ❖ Final transcripts must be requested through your Parchment account no later than June 1, 2024. After this date, there may be a delay in processing your request until September. Class of 2024 will receive free transcript requests up until July 1, 2024. After this date, alumni will be charged for any transcript requests. If a final transcript is not requested, this may delay fall college classes and/or job applications.
- ❖ Graduates are also reminded to update their Parchment account with a personal email no later than June 7, 2024. If you do not do this, you will not be able to log in after you graduate and will have to contact Parchment to unlock your account.

## **June 2024**
